## Manufacturers Represented in Oklahoma

<b>Aqua-Tronics</b>	Underground cable locators, secondary and primary cable fault locators for buried utilities
<b>Concast</b>	Fibercrete trench, box & flat pads, ground sleeves & vaults
<b>Doble Engineering Company</b>	Automated transformer insulation analyzer, relay & breaker test equipment, on-line diagnostics systems for transformers, breakers & generators, partial discharge, oil material analysis, engineering consultation, transformer condition assessments and plant reliability service agreements
<b>Enoserv</b>	Universal multi-platform software for system protection testing and database management for assisting with NERC regulatory compliance
<b>GE Grid Solution</b>	Protection & Control Products & Services: UR, MICOM, Agile, Reason, M, SR & 8 series relays; Hardfiber System. SAS Electromechanical Automation Products - RTU's and Gateways Projects – custom panels and control houses, turnkey solutions including system engineering; Digital Instrument Transformers
<b>Gamma Insulators Inc</b>	Porcelain, polymer and glass insulators for distribution, substation and transmission
<b>Electrical Materials</b>	U Guard, Guy Guard, Cable Markers, Double Coil Lock Washers, Secondary Service Pedestals, RV and Temporary Power Pedestals, Cabinets, Enclosures, and various utility tools
<b>G&amp;W Electric</b>	Overhead and underground distribution switches sf6 or solid dielectric, "Viper" reclosers with epoxy encapsulated vacuum interrupters rated 15.5 through 38kV, distribution and transmission cable accessories, and current limiting system protection devices
<b>High Voltage, Inc.</b>	VLF hipots, AC & DC hipots, thumpers & radars, oil test sets
<b>Inertia Engineering</b>	15-69kV GOAB switches and motorized switch operators
<b>ITEC</b>	Oil filled CT/VT's thru 230kV, Dry 600v, Molded to 25kV, Engineered Slip Over Bushing CT's
<b>K-Line Insulators</b>	Distribution/transmission silicone polymer insulators
<b>Kaddas</b>	Wildlife mitigation devices for overhead construction
<b>MidSun</b>	Animal & environmental mitigation products & services for substation, T&D, and generation applications
<b>Nexans</b>	Aluminum 600v secondary, TR-XLPE Primary URD, ACSR, AAC & High Voltage underground Power Cables and Accessories 69KV-230KV
<b>Prime Conduit Co</b>	PVC Conduit (Sch 40 & 80); P & C Duct, Split Duct, Bore-Gard, PVC Elbows
<b>Power Gripz</b>	linemen designed leather protectors for insulating rubber gloves and work gloves. The patented silicone ribbed fingertips and palm grip pads that provides superior all-weather dexterity, adhesion, and control.
<b>PTI Manitoba</b>	3 phase stacked core power transformers up to 575 MVA, 525 KV. mobile substations and portable transformers
<b>Raytech USA</b>	Single and three phase transformer turns ratio meters, micro ohm meters, & winding resistance meters
<b>Richards Manufacturing</b>	CU & AL connectors and lugs, hot-line clamps, UG and OH hardware, network protectors and accessories, 600/900 amp disconnectable joint system, 600/900 amp separable elbow connectors
<b>Ripley Tools</b>	Tools intended to splice and terminate cable while meeting specific application needs including accurate removal of insulation, semi-conductive sheathing, protective jacketing and other materials to produce a consistent, uniform preparation of cable ends.
<b>Scott Engineering</b>	Capacitor banks: station class metal enclosed – line voltages up to 38kV with KVar as required. pad mount – 2.4V to 38Kv; 150KVar to 1800KVar. pole mount – 2.4kV to 38kV; 150 Kvar to 1800KVar; vacuum or oil switches. Pad Mounted equipment: air insulated cabinets. switch only, switch & fuse, fuse only. primary & secondary metering cabinets
<b>TransGard</b>	Animal mitigation substation fencing solutions utilizing a modular design with a mild electric shock to deter snakes, squirrels, raccoons and other climbing animals
<b>Uticom</b>	Signs, labels, tags, posts, decals, pole & tower markers; custom and stock
<b>VAF Industries</b>	innovative utility products including permanent & removable pole steps, tower climbing steps, pole base security caps, tamper resistant security nuts and stainless steel anchors
