

6080 S. Hulen Street Ste 360 #302
Fort Worth, TX 76132

Phone: (817) 378-4585
Cell: (918) 630-4225
Fax: (817) 378-4028

Manufacturers Represented in Oklahoma

Aqua-Tronics	Underground cable locators, secondary and primary cable fault locators for buried utilities
Concast	Fibercrete trench, box & flat pads, ground sleeves & vaults
Doble Engineering Company	Doble - Automated transformer insulation analyzer, relay & breaker test equipment, on-line diagnostics systems for transformers, breakers & generators, partial discharge, oil material analysis, engineering consultation, transformer condition assessments and plant reliability service agreements. Morgan Schaffer - dissolved gas analysis (DGA) equipment, oil testing laboratory services, and data management solutions which enhance the ability to accurately monitor the health of critical power transformers. Vanguard - products and services for transformer, circuit breaker, and protective relay testing, single and three phase transformer turns ratio meters, micro ohm meters, & winding resistance meters.
Enoserv	Universal multi-platform software for system protection testing and database management for assisting with NERC regulatory compliance
Electrical Materials	U Guard, Guy Guard, Cable Markers, Double Coil Lock Washers, Secondary Service Pedestals, RV and Temporary Power Pedestals, Cabinets, Enclosures, and various utility tools
EnCharge Power Systems	Remote battery monitoring systems and battery chargers
G&W Electric	Overhead and underground distribution switches sf6 or solid dielectric, "Viper" reclosers with epoxy encapsulated vacuum interrupters rated 15.5 through 38kV, distribution and transmission cable accessories, and current limiting system protection devices
Gamma Insulators Inc	Porcelain, polymer and glass insulators for distribution, substation and transmission
High Voltage, Inc.	VLF hipots, AC & DC hipots, thumpers & radars, oil test sets
ITEC	Oil filled CT/VT's thru 230kV, Dry 600v, Molded to 25kV, Engineered Slip Over Bushing CT's
Jameson	Professional Grade tools for Cable Pulling, Locating, (Fiberglass Duct Rodders & Fishtapes), Tree Trimming-Fiberglass poles, pruners, saws, Aerial Cable placing equipment-Sheaves, & Stringing Blocks. Splicing Tools-Knives, Scissors, Strippers, for Wire & Cable
K-Line Insulators	Distribution/transmission silicone polymer insulators
Kaddas	Wildlife mitigation devices for overhead construction
KVA Relay Panels	Relay Panels, Control Enclosures and Substation Services
Lewis Mfg	American Made products for cable and conduit installation. Wire-Mesh pulling grips for overhead and underground cable, grips for vibratory plows and conduit installation. Ball bearing swivels for overhead, underground and Directional Drilling pull back applications.
MidSun	Animal & environmental mitigation products & services for substation, T&D, and generation applications
Nexans	Aluminum 600v secondary, TR-XLPE Primary URD, ACSR, AAC & High Voltage underground Power Cables and Accessories 69KV-230KV
Prime Conduit Co	PVC Conduit (Sch 40 & 80); P & C Duct, Split Duct, Bore-Gard, PVC Elbows
PTI Manitoba	3 phase stacked core power transformers up to 575 MVA, 525 KV. mobile substations and portable transformers
Ripley Tools	Tools intended to splice and terminate cable while meeting specific application needs including accurate removal of insulation, semi-conductive sheathing, protective jacketing and other materials to produce a consistent, uniform preparation of cable ends.
SAE Towers	Engineering, design and manufacturing of lattice and tubular steel structures for Transmission and Substation applications
Strapbinder	Quality stainless steel banding, sign brackets, hose clamps and installation tools
Teufelberger	Synthetic Ropes Engineered specifically for the Utility Industry, Made in the USA, including 3 Strand, Single Braid, and Double Braid Construction. Applications include-Handlines, Winchlines for Digger Derricks, Boom Tip Winches, Bumper Winches, and Line Stringing/Tensioning Machines
TransGard	Animal mitigation substation protection solutions utilizing a modular design fence with a mild electric shock to deter snakes, squirrels, raccoons and other climbing animals
TSE International	Manufacturer of tension stringing equipment pertaining to transmission and distribution, underground equipment, fiber optic equipment, sewage/water equipment, and their accessories. Product line types include, but are not limited to: direct puller-tensioners, overhead pullers, underground pullers, cable scrappers, rodders, and supplemental accessories.
Uticom	Signs, labels, tags, posts, decals, pole & tower markers; custom and stock
