

6080 S. Hulen Street Ste 360 #302
Fort Worth, TX 76132

Phone: (817) 378-4585
Fax: (817) 378-4028

Manufacturers Represented in South Texas

ABB DC Power Systems	Integritas Floor and Wall Chargers; Inverters, Batteries, Racks, Cabinets, Testing & Commissioning, Installation
Aqua-Tronics	Underground cable locators, secondary and primary cable fault locators for buried utilities
American Wire Group	15KV-35KV TR-XLPE/EPR, Overhead Bare Aluminum T&D Conductors (ACSR/AAAC/AAC), Industrial Power Cables, Bare Copper Conductor, Copper Clad Steel, Static Wire, Guy Wire, Aluminum Clad Steel, Substation Control Cables, Fiber Optic Cables & Hardware.
Concast	Fibercrete trench, box & flat pads, ground sleeves & vaults
Doble Engineering Company	Doble -Automated transformer insulation analyzer, relay & breaker test equipment, on-line diagnostics systems for transformers, breakers & generators, partial discharge, oil material analysis, engineering consultation, transformer condition assessments and plant reliability service agreements. Manta Test Systems - All in one Relay Test Systems w/ front panel access, Panel Meter & Transducer Test Set, Portable Multi Function Power Meters Morgan Schaffer - dissolved gas analysis (DGA) equipment, oil testing laboratory services, and data management solutions which enhance the ability to accurately monitor the health of critical power Transformers. Vanguard - products and services for transformer, circuit breaker, and protective relay testing, single and three phase transformer turns ratio meters, micro ohm meters, & winding resistance meters.
Enoserv	Universal multi-platform software for system protection testing and database management for assisting with NERC regulatory compliance
Electrical Materials	U Guard, Guy Guard, Cable Markers, Double Coil Lock Washers, Secondary Service Pedestals, RV and Temporary Power Pedestals, Cabinets, Enclosures, and various utility tools
EVLUMA	Durable Outdoor LED lighting: AreaMax™ luminaires and OmniMax™ decorative luminaire retrofit lamps, with Photocontrol Failsafe™
Gamma Insulators Inc	Porcelain, polymer and glass insulators for distribution, substation and transmission
Grid Power Products	Connectors, tower/pole hardware, guy hardware, formed wire products, helix anchors, cutouts, & surge arresters
High Voltage, Inc.	VLF hipots, AC & DC hipots, thumpers & radars, oil test sets
K-Line Insulators	Distribution/transmission silicone polymer insulators
KVA Relay Panels	Relay Panels, Control Enclosures and Substation Services
Mastro Graphics	Customized Identification Products, Signs, Labels, Tags, Safety Marking
McWane Poles	Distribution wood equivalent Ductile Iron Poles
PTI Manitoba	3 phase stacked core power transformers up to 575 MVA, 525 KV. mobile substations and portable transformers
Richards Manufacturing	CU & AL connectors and lugs, hot-line clamps and pole line hardware
Ripley Tools	Tools intended to splice and terminate cable while meeting specific application needs including accurate removal of insulation, semi-conductive sheathing, protective jacketing and other materials to produce a consistent, uniform preparation of cable ends.
SAE Towers	Engineering, design and manufacturing of lattice and tubular steel structures for Transmission and Substation applications
Strapbinder	Quality stainless steel banding, sign brackets, hose clamps and installation tools
Systems With Intelligence	Hardened intelligent video and thermal monitoring solutions for substations, underground vaults and renewable power sites
Teufelberger	Synthetic Ropes Engineered specifically for the Utility Industry, Made in the USA, including 3 Strand, Single Braid, and Double Braid Construction. Applications include- Handlines, Winchlines for Digger Derricks, Boom Tip Winches, Bumper Winches, and Line Stringing/Tensioning Machines
